Tisha B’Av Services in the Gan Shalom

DATE: Monday, July 19th
TIME: 8:15 PM

Please join us as we commemorate Tisha B’Av, the day we remember the many great losses of our history and hope for a better future.

Our service will include:

- Chanting of Megillat Eichah by candle/flashlight
- Prayers for healing inspired by our Gan Shalom (Peace Garden)
- A Torah lesson about the Jewish ways to access peace and healing in the face of difficult times.
- In case of rain we will meet in the Chapel.

Please bring blankets and flashlights.
Since you last heard from me, I’m very excited to report to you that we have hired a new Assistant Rabbi. Rabbi Noah Arnow will be joining the storied Beth El klei kodesh on August 1st. During this hiring process, we interviewed over 15 candidates and we had five meet with us on-site. All of these candidates were excellent in their own way, but I believe at the conclusion of this lengthy process, we found the right person for Beth El.

Rabbi Arnow’s background is very interesting. After he graduated from Brown University, he worked on the New York City Mayoral campaign of Mark Green. After that, he was Chief of Staff of New York City Councilmember, Eric Gioia. Then, luckily for us, he decided to pursue becoming a rabbi, enrolling in the JTS. During his time at JTS, he has held various internships, including at Rutgers Hillel, as well as at congregations in the Bronx and Upstate New York. He and his wife, Tammy and their two children, Caleb (2 ½) and Hallel (7 months), will be joining our community this summer. For those of you who have met Rabbi Arnow, you know how engaging and enthusiastic he is. We are extremely fortunate to have “landed” him and please join me in welcoming the Arnow’s to the Greater Cherry Hill metropolitan area.

In other news, during our May Board of Trustees meeting, we passed our budget for the 2010-11 fiscal year. Despite a very challenging economic environment, we have been able to limit the dues increase to 2%, while maintaining maintenance and security fees at a flat level. I can’t thank enough our Treasurer, Karen Schlessel and her Budget Committee for their hard work and dedication in getting us to this point.

It has been a terrific year at Beth El and I am very excited for next year as well. I want to wish you an excellent summer.

Kol tuv,

Ed

The following involves two dreikop, as far as I’m concerned.

“Yes, I’m sorry, but Mr. Zucker is in court.”

“Well, then, can I speak to Mr. Zucker?”

“Sorry, Mr. Zucker is in Washington.”

“Well, how about connecting me with Mr. Zucker?”

“Mr. Zucker won’t be in until two.”

Sigh. “Okay, then, I’ll speak to Mr. Zucker.” “Speaking.”

To drei literally means to spin, as in a dreydal. So, when it comes to a dreikop, Ron Wolfson explains in his book The Seven Questions You’re Asked in Heaven, it refers to, “...someone who is always turning, always thinking about her next move.” Unfortunately, when it comes to a dreikop all of this spinning around and around can make you miss what is right there before your eyes, much like Mr. Zucker and his client on the telephone.

With the synagogue year 2009-2010 behind us and the New Year fast approaching, I want to recommend that we each really take a look at our Beth El and all it has to offer us. There is so much going on here that it is sometimes hard to see what is just for us and to access it. I want to make sure we stop dreying for a few minutes and take a good look at the year to come. The summer is the time to start thinking about what you want to do at Beth El in the year to come, the same way we plan ahead for our other personal or family activities.

I encourage you to spend a little time with this Beth El News and with the Colel Beth El adult education brochure you will receive over the summer. Circle the events and dates that interest you and put them on your calendar. You might want to mark a Saturday a month to come to morning service with our wonderful Minyan Yeladin (MY) Service for the kids led by Larry Abrams and Torah Talk for adults with me. Or maybe you would like to join us at our “Beth El Jewish Antique Road Show” where members will be invited to share their family heirlooms and explain their special meaning (or have their Jewish meaning explained to them). All of our Arms have planned wonderful calendars, so whether you are a member of Men’s Club, Habonim, Sisterhood, Young Associates, or have kids in Kadima or USY, make sure you contact the president of that organization for a copy of the calendar. Their contact information is in the appropriate section of this Beth El News. Also, next year we are thrilled to be adding Rabbi Noah Arnow to our klei kodesh team and expect that he will bring fresh ideas, programs and perspectives to our community, so keep an eye out for his programs as well. Of course, to really find what is here that appeals to you, come in and talk to one of your klei kodesh or to Ronit Boyd, our Community Life Coordinator.

**Kol Nidre**

Dear Beth El Family,

This is the time of year that Beth El asks it’s entire membership to participate in a special voluntary donation to the synagogue in the spirit of Kol Nidre, known as the Kol Nidre Appeal. Throughout the year, Beth El is available to us, reaches out to us and is present for all of our most meaningful life experiences. Whether you take part in our synagogue’s beautiful services or enjoy Beth El during a B’nai Mitzvah, wedding, Brit Milah or a baby naming, it is comforting to know that Beth El will always be here for us.

Your Kol Nidre donation is more important now than ever before. As Beth El positions itself for the future, your donation allows Beth El to continue to provide for us all that we expect and so much more. As Rabbi Krupnick states, “Ask not what your synagogue can do for you, ask what you can do for your synagogue”.

Please consider this appeal and continue to be generous as you have in the past. As in previous years, all of our members who participate in the Kol Nidre Appeal will be recognized in the Beth El news as well as at the Voorhees campus.

**Rabbi Jeffrey Arnowitz**

In the coming year, we are going to take a closer look at our Beth El community in another way. We are very excited about a new project of our membership committee, the Inreach Initiative. For the coming year, a new committee of laypeople is being formed whose task will be to have one-on-one meetings with congregants to discuss feelings about Beth El, Judaism’s place in our lives, what excites or engages us about our community, what we would like to see more or less of and a plethora of other questions and probably a few we haven’t even thought of yet. This project is an exciting new endeavor by our community to better understand who we are, where we are heading and how to enhance the experiences, spiritual, emotional and communal, of all of our members. So, don’t be surprised if you get a call sometime next year from a volunteer who says he or she is calling from the Inreach Committee at Beth El and would like a half an hour of your time to sit and talk about the synagogue. I promise, they won’t ask for money, just honesty and engagement. Together we can make our Beth El even more dynamic and engaging for our entire community, by better understanding who makes up our community and why. And if you are interested in being interviewed or being part of this exciting initiative, please contact Shari Smith Coordinator of Membership and Member Services in the Beth El office.

Have a wonderful summer and good luck preparing for a year of excitement, engagement and communal exploration here at our Beth El.

American Red Cross
Beth El Designated as Emergency Evacuation Shelter

The Camden County Chapter of the American Red Cross has announced that Congregation Beth El in Voorhees has been designated as an emergency evacuation shelter for use in the event of a major disaster affecting the area. Typically, an evacuation shelter is opened when a disaster occurs that may not require overnight or long-term sheltering. An example of this is a neighborhood water main break, gas leak or hazmat incident.

Volunteer leadership, cots, blankets & miscellaneous personal care items will be provided by the American Red Cross, with Red Cross trained volunteers from the congregation assisting the evacuees.

In keeping with the congregation’s Dietary laws, Kosher meals & snacks will be provided by Cody Catering, a division of Barry Catering.

The Congregation’s spiritual leader, Rabbi Krupnick states that "The Talmud tells us that he who saves a single life, is as if he saved the world. To be able to save more than one life should a disaster strike our area is a sacred responsibility & Beth El is honored to be considered worthy."

Past President of Beth El & Disaster Volunteer & Board Member for the Camden County Red Cross, Lynn Goldman Paul, is proud that her synagogue stepped up to ensure the safety of the community should a major disaster occur.

Edward Hochberg, President of Beth El added "we hope never to be called upon to offer shelter, but if the need arises, we are ready to help". Camden County American Red Cross Chapter Executive Director Camy Trinidad, stated that "we are proud of this community partnership, as Congregation Beth El has historically assisted with Red Cross projects such as safety training, immunization campaigns & disaster relief fundraising. Having faith-based organizations assist with humanitarian efforts supports both the Red Cross & religious communities missions."

Ms. Trinidad added that free Basic Red Cross Disaster training will be offered to interested members & will include Mass Care & Shelter Operations. Once trained, members will serve as disaster volunteers locally & nationwide should they so desire. For information, please call Rick Paul, Director of Emergency Services at Camden County American Red Cross (856) 365-7100, x222.

The Community Day of Caring held on March 21 raised over $ 6,400 for the American Red Cross disaster services. The day was filled with activities including a gift bazaar, blood drive & concert by Rick Reicht. The blood drive collected 48 productive units of blood which translates into saving 129 lives! The concert had over 300 people in attendance, all of which had an amazing time. Also in attendance were representatives from the Gift of Life, the Bone Marrow Registry, the Red Cross and the Stroke Council who were on site giving out important information on how we can be supportive of the organizations. We would like to thank Sylvan Learning Center and Camp Saginaw, our event sponsors. We appreciate the donations they made to make our event a huge success.

We would also like to give a special thank-you to our wonderful vendors & caterers who supplied all the food for the day. ALL proceeds from the food sales went to the Red Cross. Each vendor in attendance also made a contribution to the Red Cross, the Shul saw no profit from the day. In attendance were over 50 volunteers who came to us through the Disney Give a Day Get a Day Volunteer Program. They made the day much more manageable for the vendors & all of us, we thank them all for their participation in this worthy cause & wish them a great trip to Disney! Also, a thank you to Ronit Boyd, Donna Bell, Marsha Swerdloff, Margie Blum for all their support & guidance and all of the volunteers for helping to make this day such a success.

We are grateful for the support we received from the entire synagogue. In particular, we would like to share that the ECC would also like to give a special thank-you to our wonderful vendors & caterers who supplied all the food for the day. ALL proceeds from the food sales went to the Red Cross. Each vendor in attendance also made a contribution to the Red Cross, the Shul saw no profit from the day. In attendance were over 50 volunteers who came to us through the Disney Give a Day Get a Day Volunteer Program. They made the day much more manageable for the vendors & all of us, we thank them all for their participation in this worthy cause & wish them a great trip to Disney! Also, a thank you to Ronit Boyd, Donna Bell, Marsha Swerdloff, Margie Blum for all their support & guidance and all of the volunteers for helping to make this day such a success.

It was a wonderful way to make our first anniversary in our new home, truly a day for the community.

On behalf of all those who turn to the Red Cross during a time of need, we say Thank-you.

**Congregation Beth El**

**Dor L’Dor Endowment Heritage Society**  
By: Arnold Kaminer

All religious institutions, including your Congregation Beth El, rely upon contributions by their congregants, as well as other benefactors, to fund the many ongoing costs of the many activities and daily administration.

Many of you have already established endowments through Jewish Federation or have named Beth El as a recipient in your will or trust.

All institutions, including Beth El, lose future contributions when their members pass away, unless there has been a formal declaration in their wills, in a trust, or in a life insurance policy. Many individuals gift property or life insurance policies, naming Beth El as the owner.

There are many opportunities and avenues for you to assure the continuity of Beth El for the many generations to come (Dor L’Dor) and would appreciate, and recommend, that you contact your professional advisor or Hanina Ruttenberg, (856) 675-1166 to review your many options.

---

**U-Card**

These cards are free and usable at select locations where you shop and dine. The user receives personal rewards and Rebates - Beth El receives monetary rebates.  
See Margie Blum in Beth El’s office for further details and to pick up your card.

---

**THE TREE OF LIFE**

**LEAF:** Purchasing a leaf on Beth El’s Tree of Life, which is located inside the Shabbat and Holiday entrance to our building, is the perfect way in which to commemorate a significant lifecycle event.

Remember your wedding, birthday, anniversary, or your children’s B’nai Mitzvah or other accomplishment by having a leaf custom engraved for $216 (12 times Chai).

**STONE:** For a more significant addition to the Tree of Life, please consider the purchase of a stone to adorn the bottom of the artwork. Each stone is custom engraved onto an all natural surface and promises to be a source of great family pride for years to come. The cost for each stone is $500.

To order the leaf or stone, please phone the Beth El office.

**Scrip**

Thank you to the congregation for helping to make this the best year yet for the SCRIP program. The necessary dollars that come from this (fun)draising program support many synagogue endeavors. The increase in participation shows a membership that cares.

With the summer season here, SCRIP gift cards are useful for hotels, restaurants and of course, gift giving. Shoprite is always available. By now, everyone knows that it doesn’t cost any more to use SCRIP for your purchases.

Many types of SCRIP are “in stock” in the Beth El office. Call to see if your favorite merchant is available. National Amusement SCRIP, the RAVE theatre at Showcase Cinema, and the cycle event.

Any SCRIP can be ordered. For a complete list of participating establishments, go online to www.glscrip.com & click on retailers. Office hours to are:

Religious School Board Has New Chairs!
Mazal Tov to Hilary Platt, Staci Tinkelman and Marilyn Doane, Religious School troika of School Board Chairs. We thank them for taking on this awesome responsibility and wish them hatzla-ch (good luck) in their new post.

Thank you to Heidi Silverberg & Barb Collik, outgoing Religious School Board Chairs, for the most amazing tenure any Educational Director can hope for. Under their leadership Religious School grew and prospered. We are all indebted to them for their dedication and commitment to our school and synagogue.

Toda Rabba to all our... Room parents, volunteers, program chairs, graduation chairs, (too numerous to name), for a super year!
May you continue to go from chayil el chayil, strength to strength!

Religious School’s SMART Board Major Success!
As you know, Religious School received a grant from the Legacy Heritage Fund this past September for a SMART Board. In addition, we received 6 hours of training which took place in the Fall. But wait, there’s more... We also received a guarantee that we would be reimbursed for the expense of purchasing the computer that was needed in order to use the SMART Board, provided we submit 10 lesson plans done by our teachers using the SMART Board Notebook Software.

I am happy to report that thanks to three wonderful teachers, we accomplished what we set out to do. Let me tell you a little about them:

Larry Abrams – not only was he the initiator of this grant, but also, as a result was awarded by using the SMART Board room (306) this year for his Kitta Hey (5th Grade.) Just ask any 5th Grader how much he/she enjoyed Sunday mornings in Mr. Abrams’ room. Larry wrote several lessons for Legacy Heritage.

Amanda Ross – Amanda is graduating from Gratz College with a Masters in Jewish Education and Supervision. As part of her internship, Amanda focused on “Technology in the Jewish Classroom.” She learned and practiced on the SMART Board and submitted lessons to the foundation as well. But she did more than that, she trained another teacher on the SMART Board and helped her produce a lesson of her own.

Gloria Andersen – our 6th grade teacher, Gloria loves to learn wherever she is. She wanted to know how to use the SMART Board and persevered. Gloria submitted a lesson as well.

We are grateful to our teachers for embracing this new technology and wish them continued success. We are also grateful to Stuart Sauer, Technology Chair, for getting everything to work!

June-August Mitzvah of the Month G’milut Chasadim - Deeds of Kindness Backpacks for Needy School Kids
For the next three months, Religious School children and parents will be asked to collect all kinds of school supplies, backpacks and tzedakah for Kids Alley, an organization in Camden that provides backpacks filled with school supplies and uniforms for needy kids in Camden so they can start school just like other kids with new clothes and backpacks.

Tzadakah collected will go to the fund that buys new uniforms. Stay tuned for more detail coming to you in the Beth El News during the summer, from our Social Action Committee.

School Spirit Day at the ECC

On May 3, 2010, the children of the Early Childhood Center showed their love for Beth El as they celebrated Spirit Day at the school. They all participated in a Scavenger Hunt, designed specifically for their age group by one of our teachers, Morah Rinat. Some jumped through hoops, others danced the limbo, most hopped, walked and ran, following the directions leading to the next clue. In the end, they all won when they found the water-melon treat in the refrigerator in their room.

The children also ran an obstacle course set up by our gym instructors of Kickin’ Flips. At the end of that session, each age group performed the school cheer! (Bet you didn’t even know we had one!)

ECC Teachers Trained in CPR and First Aid

During the month of May, the majority of the ECC staff went through CPR and First Aid training given by the American Red Cross. It is rigorous training in and of itself, but even more so because the course is given from 4pm - 9pm after the teachers have already worked a whole day. Congratulations to all who became certified.

Baby Steps and Beyond…. Taking Off Full Steam Ahead

In the last Beth El News edition, we announced the beginning of a new initiative to attract families to Beth El. WE started “One-derful Ones”, a class for Moms and their 10-19 month olds to interact together in a fun filled, hands-on experience. The response was so overwhelming that we opened a second class to accommodate the overflow.

We also offer a “What’s New Mommy” class for new Moms and their infants. This group encourages new Moms to share their experiences and support each other as they begin their crash course in parenting. It began in early May and the parents seem to enjoy it immensely.

We are planning more classes like the ones mentioned above to continue for new families and are planning new endeavors so their children may grow and learn together. Here is a list of our current offerings:

• What’s New Mommy? 0-3 months
• Watch Me Grow! 3-6 months
• Creative Crawlers 6-12 months
• ONE-derful Ones 10-18 months
• Get Ready for School 18-24 months
• Stroller Strides and other wellness programs

In addition, we are planning parenting programs for Mom & Dad and for working parents as well.

Camp ‘N’ Kids begins June 28

If you have a child between the ages 2yrs. & 4yrs., check out Beth El’s camp program. Your child can come any 3 to 5 days a week, half or full days. Each week the children will learn about a fun filled theme like the Circus or animals and will have sports, arts & crafts, games and experiences all related to the theme. Water sprinklers & water tables give the little ones a chance to splash & play while keeping cool in our beautiful play areas.

For information, call Ellie Burstein, Camp Director, at 675-1166.
There’s been lots going on & even more about to happen with Beth El Youth Groups. We had our closing program on May 2 with Religious School. The highlight of the event in Sarah Goldfield’s opinion was WINNING THE iTouch. That’s right; Sarah won an iTouch. ALL youth group members names were submitted to the raffle & one lucky winner took the iTouch home. We all wish Sarah much fun with her new gadget. Next year, sign up your children for youth groups & their names will be entered into a raffle as well. The odds are pretty good, just ask Sarah!

KADIMA had a great time on May 23 at Great Adventure. USY are off to the Phillies in June. Our USY has lots to be proud of. They won several awards at the Spring Regional Convention including member retention, increased Kadima membership as well as Tikkun Olam donation. We welcome our new USY Board, we wish them much luck next year & look forward to the great programs they’ll bring to our building. Lets all take a moment to thank our wonderful advisors for a great year.

Machar had outstanding attendance at events & Tracey Rebock handled it all, as usual. Chaverim said goodbye to an advisor mid-year, but Amanda Ross stepped in, took over & added great energy to the program. Tammy Kornfeld breathed new life into Kadima with great programs. Chaim Respes and his USY Board brought home awards, but more importantly showed our teens Jewish can be fun. At the head of it all was Debbi Silverman, our Youth Commission Chair. Debbi is moving on after several years at the helm. Thank you Debbi for your time and dedication to Beth El youth!!!! Filling her shoes is incoming chair, David Breslau. We wish David luck & are excited to see the innovation he will bring to the youth of our Shul. David is looking to shake things up a bit. If you have ideas to share, or are interested in joining the Youth Commission, please feel free to contact him at davidbreslau@verizon.net. We are always looking for dedicated parents.

We are looking forward to seeing you in the Fall… but until then, be sure to sign your kids up for MITZVAH CAMP 2010. A camp for children in grades K - 5 (current year) being held the week of Aug 30. A brochure is in the religious school mailing & is available on the Youth Group website. It is an amazing way to end the summer. Your child/children can attend for a day or a week. Space is limited, so sign up early!

Congratulations to our 2010 - 2011 USY Board:

President: Jake Fischer
Israel Affairs and Executive Vice President: Eric Kessler
Communications Vice Presidents: May Doar and Levana Berlin
Membership/Kadima Vice President Lena Backal
Social Action/Tikkun Olam Vice Presidents: Asher Weinstein and Joey Gerber
Religion/Education Vice Presidents: Ben Kirby and Saul Shaaltiel
Programming Chair: Isabel Freedman

Thank you to our outgoing Board!

Encampment 2010 is August 17th, contact the Chaim Respes, USY Advisor for more info.

A very LARGE THANK YOU to all our volunteers, in particular Habonim and the Mailing Crew, for helping to make such wonderful programs this year.

Two words that go together beautifully…
two of my favorite words -- and yours, too, I hope!

The approaching months bring vacations, long backyard afternoons & other opportunities to relax with a great book. Wherever you’re headed this summer, be sure to keep books from your synagogue library with you.

Here is our annual “Guide to Great Summer Reading.”

All of these titles may be borrowed from the Bell Library – your synagogue library. And remember, we continue to get new books throughout the summer months – the latest and best in Jewish fiction and nonfiction. Whatever your reading preference, we have something to entice you!
