

What to Expect in Your Child's Kittah Gan (Kindergarten)

Curriculum

Jewish Identity & Community

Children in Gan are introduced to the concept of Jewish community through the study of the Synagogue via its symbols and architecture.

Hebrew

Children in Gan develop Hebrew language through prayers, songs and games. They learn to recite the Hebrew Alphabet, name ritual objects and concepts associated with holidays. They develop a classroom vocabulary that is reinforced regularly.

Holidays and Mitzvot

Children in Gan are introduced to the basic Jewish Holidays as they occur, learning the customs and traditions associated with each holiday. Through art, music, cooking and storytelling, the children prepare for each holiday and bring ideas and projects home to enhance the celebration of each holiday.
