

What to Expect in Your Child's Project Lev Classroom

Curriculum

Jewish Identity & Community

Children in Project Lev are introduced to the concept of Jewish community through the study of the Synagogue via its symbols and architecture.

Hebrew

Children in Project Lev develop Hebrew language through prayers, songs and games. They learn to recite the Hebrew Alphabet, name ritual objects and concepts associated with holidays.

Holidays and Mitzvot

Children in Project Lev are introduced to the basic Jewish Holidays as they occur, learning the customs and traditions associated with each holiday. Through art, music, cooking and storytelling, the children prepare for each holiday and bring ideas and projects home to enhance the celebration of each holiday.
